

Wine Profile

CABERNET SAUVIGNON 2018

Nestling at the foot of the Helderberg Mountain, the historic Stonewall cellar has been creating quality wines for generations. The vineyards, some still bush vines, are planted in sandy loam soils which are perfect for producing wines with high fruit concentration and robust flavours.

Acid	5.8g/l
pH	3.53

Vinification Notes

The grapes were picked at optimum ripeness to ensure the best flavour concentration and character. After crushing and de-stalking the mash was fermented where the cap was punched down 3 times per day during the initial stages, after which the must was pressed and left to mature in a mixture of 1st and 2nd fill barrels for 18months. Only the 15 best barrels were selected for this reserve wine.

Tasting Notes

The Cabernet shows a beautiful crimson centre with medium plus intensity. Notes of cassis, plum pudding, bramble and hints of coffee affords the wine a rich and diverse aromatic structure with a long and sophisticated finish. The tannins are bold, yet promising. This wine will benefit from ageing a few more years.
